

SC45 BLACKOUT

SMALL, SEMI-RIGID, MULTI-FUNCTIONAL POUCH

The SC45 BLACKOUT is an all-black small, semi-rigid, multi-functional pouch designed to attach to a waist belt or the side of a tool bag using its wire belt clip or carabiner. This pouch combines a phone holster, a leatherman pouch, tool pouch, and EDC pouch into one. The front features an all-black removable tool pouch with two main pockets for a screwdriver or pliers, a pair of thru-pockets, pencil pockets, a stainless-steel tape measure clip, and an electrical tape strap. Inside, there is a padded wall with an elastic neoprene pocket to accommodate any size phone, along with an elastic band for storing a notepad. The pouch also includes a removable 3-pocket V-SWAP™ panel for storing a pocketknife, penlight, and pen or pencil.
