

CO2 Service Manifold Kit

VETO + JAVAC EDGE ALL IN ONE BAG

The Javac Edge Test and Service manifold with Hose kit. Designed to handle the higher pressures of CO2 systems, the manifold features a 2-valve design and is rated for high-side pressure up to 160 bar. Steel mesh hoses are also supplied, all packed in our ever popular Veto Pro Pac Hose Hauler.

- Protect, transport and store in style
- Proven double O-ring piston control
- Large 80mm gauges with protection boots
- Unique purge valve for improved safety - ensure no pressure is retained after use for safe storage and transportation.
- 160 Bar rated manifold and high side gauge
- 3x double layer steel mesh hoses fitted with spring protection. Rated to 160 Bar safe working pressure
- Veto Pro Pac Hose Hauler comes with 5 year limited warranty
