EasyWipes™

PROFESSIONAL GRADE HAND WIPES

EasyWipes are professionally formulated handwipes containing powerful, safe and environmentally friendly cleaning agents. These convenient wipes loosen, dissolve and absorb dirt, grease, grime, oil, paint and tar without leaving any residue. EasyWipes come in a re-sealable pack that will preserve freshness and small enough to be easily stored in your tool case or van's glove box.

Key Features

- A new look & feel with clickable lid to help keep your wipes fresher for longer. Less waste!
- The packet size has increased from 50 to 100 wipes – bigger pack better value!
- Cleans surfaces quickly and effectively
- Safe for use on hands and all surfaces
- Ideal for a quick clean-up after a job
