

RTU ECD®

Evaporator Cleaner and Detergent

RTU Evaporator Cleaner and Detergent has been formulated to address concerns over indoor air quality. Its highly effective cleaning action improves the efficiency of your cooling system, while its disinfectant ensures total hygiene. Its advanced cleaning action breaks down, and lifts accumulated dirt, dust, grease films, and operational residues that reduce system efficiency over time.

PRODUCT SPECIFICATION

Name	RTU ECD®
Product Code	S010192R1
Packing Quantity (ml, L)	4 x 5 Litres
Packing Size (L x H x D cm)	40 x 30 x 27
Shipping Weight (kg)	24.19
Shipping Volume (m3)	0.0324

SPECIAL FEATURES

Cuts through evaporator grime

Non-Biocide Formula

DIRECTIONS OF USE

Method:

Isolate electrics. Spray into coil, starting at top corner and working methodically across and down.

Spray coil and leave for 15 minutes. This will allow general dirt and all types of contamination and soils to be agitated and loosened in the cleaning process. Rinse thoroughly with clean water after use.

Use RTU™ Evaporator cleaner and detergent in line with normal maintenance schedule

Store upright in a cool, dry place.

Preparation Type: Liquid

Disposal:

Product: Dispose in accordance with local chemical regulations
Container: Clean with water. Dispose of as normal industrial waste.
