5 YEAR ZERO DOWNTIME WARRANTY

Evo System™
CLIP MAGNET

DH EVO VPP10952

The DH EVO is compact-sized drill holster designed to be low profile and store most compact sized drills. Utilizing the Evo System™ clip for attaching the pouch to a larger bag with an Evo System™ dock, a tool or waist belt, trouser pocket, or magnetically mount to surfaces inside a work van or equipment requiring service. The DH EVO features 4 drill bit pockets, a stainless-steel tape measure clip, and an optional lanyard can be fastened across the drill for additional security. The lanyard can be removed or pushed down if not needed. The DH EVO is ideal for tradesmen looking for quick access and secure storage to a drill from a belt or tool bag.

- Features the Evo System™ clip for attaching the pouch to a larger bag with the Evo System™ dock
- 3 External pockets for 2-4" bits and short extensions and nut drivers
- Low profile carrying handle for easy transport
- Stainless steel tape measure clip
- Removable low profile safety lanyard for added security
